**RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

In response to the Notice to File Corrected Application Papers ("the present Notice") mailed February 4, 2002, in connection with the above-identified application, Applicants submit herewith: (i) a Verified Statement Concerning Sequence Listing Under 37 C.F.R. § 1.821(f); (ii) a Substitute Specification Under 37 C.F.R. § 1.52; and (iii) Substitute Drawings Under 37 C.F.R. § 1.84.

With the present Notice, Applicants were provided with a Withdrawal of Previously Sent Notice referring to the Notice of Incomplete Reply (Nonprovisional) dated November 7, 2001. The Notice of Incomplete Reply concerned materials that were sent by Applicants to the Patent and Trademark Office ("The Office") with the Response to Notice to File Missing Parts, dated April 3, 2001. These materials were received by The Office, as evidenced by the stamped return postcard received by Applicants. Therefore, the materials requested in the Notice of Incomplete Reply have been misplaced by The Office.

Furthermore, a timely filing of the Response to Notice of Incomplete Reply to prevent abandonment was impossible, as the Notice of Incomplete Reply was mailed after the final date set for response. These facts were confirmed during a telephone conference between Applicants' representative Mr. David Hibler and Customer Service Representative Ms. Stokes. During the telephone conference, Ms. Stokes indicated that the present Notice would be sent, and that the Notice of Incomplete

Reply dated November 7, 2001, should be disregarded, as confirmed by the Withdrawal of Previously Sent Notice. Therefore, Applicants are providing herewith the required items identified on the present Notice, which are copies of materials originally provided to the Office on August 2, 2001.

Applicants believe that no fees are due in connection with this response. However, the Commissioner is authorized to charge any required fee to Deposit Account No. 50-0892.

Respectfully submitted,

2/12/02
